0 5 MAR 1992

From: Commander, Atlantic Division, Naval Facilities
         Engineering Command
To: Commanding Officer, U.S. Naval Station Roosevelt Roads

Subj: RCRA FACILITY ASSESSMENT (RFA) SITES AND INSTALLATION
         RESTORATION (IR) SITES

1.   A meeting has been scheduled for Friday, March 13, 1992, to
discuss future actions at the RFA and IR sites and, under which
program shall these actions continue under. This meeting will be
held at EPA Region II's offices in New York at 1:00pm.

2.   Please send representives from your activity to discuss the
RCRA issues as they pertain to the IR program. Your IR and RCRA
coordinator should be the representatives to attend this meeting.

3.   Representatives from LANTDIV that shall attend this meeting
are: Ms. Nina Johnson (Code 1822), Ms. Laurie Boucher (Code 1823),
Ms. Maritza Montesinos-Gross (Code 1823), and Mr. Louis Speas (Code
1811). The P.R. Environmental Quality Board will send Ms. Eileen
Villafañe (Federal Facilities Section) as their representative.

4.   Several LANTDIV personnel including those that are attending
the New York meeting will visit your base on Monday afternoon,
March 9, 1992, and all day Tuesday, March 10, 1992, to discuss the
Friday meeting scheduled in New York. In addition they will look
at all the RFA and IR sites. Please provide them with an escort
that knows where all these sites are.

5.   The U.S. EPA representative for Friday's meeting is Mr. Tim
Gordon. He may be reached at commercial (212) 264-5133.

6.   If you have any questions or comments, please contact our EIC,
Ms. Maritza Montesinos-Gross, at commercial (804) 445-9897 or
AUTOVON 565-9897.
